Dear World Partner,

On behalf of the Omega Vote, Inc. - Black Men Lead - I, Dr. David Marion, President, am honored to extend an invitation for you to donate in support of our “Campaign For Omega Vote.” Omega Vote, Inc. is a recognized nonprofit, 501(c)(3), professional organization committed to voter registration, education and mobilization (VREM).

Omega Vote invests in the leadership and political engagement of Black men, providing tools and resources to ensure their voices shape our democracy. From mentoring programs to campaign training and civic workshops, we uplift Black men as agents of change. We recognize the historical exclusion they’ve faced and work to close the representation gap. Our mission is to ensure Black men are not just seen—but heard, respected, and elected.

This prestigious campaign will kick off on Wednesday, November 5, 2025, online at <https://omegavote.org/donate/>

For years, As a 501(c)(3) nonprofit, Omega Vote is nonpartisan. We focus on issues, not parties, bringing people together around shared goals of equity and justice. Our advocacy is rooted in data, driven by impact, and accountable to the communities we serve. By staying above the political fray, we remain focused on long-term systemic change. Everyone has a role to play—regardless of political affiliation.

Your donation will directly empower us to expand these initiatives and continue making a meaningful and lasting impact in the community.

As a valued donor, you will receive recognition at the event and additional benefits based on your contribution level. This is an excellent opportunity to connect with community members, corporate executives, and civic leaders while demonstrating your commitment to philanthropy and community development.

The funds will be used to register, motivate and educate people in underrepresented communities on all aspects of politics with voting registration being priority one. All funds Donated will be 100% tax deductible:
